I once was lost but now I'm found,  
was blind **but now I see.**

## 2018-2019 Budget

**Your generosity is helping glorify God, grow people in Jesus, and it is going across the street and around the world.**

**For the fiscal year 2018-2019, our elders and staff have recommended an annual budget of \$1,438,713.**

In preparing our annual budget, we take into account our income -- the money we receive from your tithes and offerings, plus income from a Verizon cell phone tower (\$23,958/annual). Our 2018-2019 ministry budget is a balanced budget.

**On a weekly basis, this means we will need \$27,207 to fully fund our ministry and operations.** This includes our spending on ministries and missions, as well as fixed expenses such as payroll, insurance, utilities, etc. It reflects our continuing efforts to be good stewards of our resources.

**Our budget includes ministry spending that will help us accomplish our mission of Glorifying God, Growing in Jesus, and Going into the World. It continues our support of mission partners serving both domestically and internationally.**

This year's budget also include support for Hope Colorado Springs, a new church starting this fall.

When we invest in kingdom initiatives, we are investing in the only thing that will pay eternal dividends!
